

My name is Lidiia Filias and I am a teacher / bookseller / logistician / writer / copywriter / actress. Now I want to try myself in a new field. I have a Kafka tattoo, I love to suffer like the poets of the Renaissance, and also I love dinosaurs.

Skills:

I can teach your child to count, sell you a book on self-development, write you a book on self-destruction, determine the type of your carpet, put on a play with you, compose a congratulatory poem for the birthday of your neighbor's daughter's friend, kill 15 minutes of your life by reading my cv.

Experience:

2021-2022 Assistant Head of Department at "Infozahyst". I struggle with excel 24/7.

2018-2021 Logistician on Amazon. Morally supported customers who failed to order a product online.

2017-2018. Event manager of "Another Theater". Searched for performances, bought props, read and interpreted McDonagh's plays.

2016-2017. Tutor at the "Academy of Modern Education". Wiped tears for children from 6 to 14 years.

2014-2016. Consultant at the bookstore "Bukva". Sold "Cherkasy" guidebooks to foreigners, because "Kyiv" has never been on sale.

Education: Received a master's degree in historical sciences from the National Pedagogical University. M.P. Drahomanov's name in groups - examination of cultural and historical values. According to the educational opportunity to teach at school, university, and tell in museums about lint-free medieval carpets.

Graduated from "Media Start" announcers in 2018. I can talk about the weather on TV.

Graduated from the "Litosvita" writing course in 2020. I can write a book about you.

Completed courses in creative copywriting "Projector" in 2021. I can come up with a name for the new yogurt.
