

Hello

In May, I arrived in Great Britain from Ukraine, because there is a war in my country.

At the moment, I am actively looking for a job, because I have goals and ambitions.

I have had career progression in the past and plan to continue now

My English is not perfect, but I am a fast learner and want to be successful in what I do. I know for sure what I want.

I am interested in working with you because I need an opportunity to realize my potential in this field and in this country.

Thank you for your attention and I look forward to hearing from you!

Kind Regards,

Liliia Khabibulina
